

Rekord **AY**

Rekord Pro AY

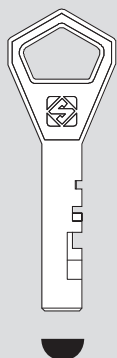

The compact, user-friendly key machine for Abloy* type keys

Rekord Pro AY is the mechanical key cutting machine fully dedicated to duplicating by code Abloy* type keys. It features tilting, burnished metal clamps; a mechanical tracer point with micrometric adjustment and a wide tool compartment for practical daily use.

Rekord Pro AY

Rekord Pro AY is the mechanical key cutting machine fully dedicated to duplicating by code Abloy* type keys.

Right side key cutting only

Copy by code

The Rekord Pro AY features clamps specifically designed to duplicate Abloy* type keys by code. Set the cut spacing in the device on the left of the carriage and adjust the cutting angle accordingly on the right.

Long-life cutter

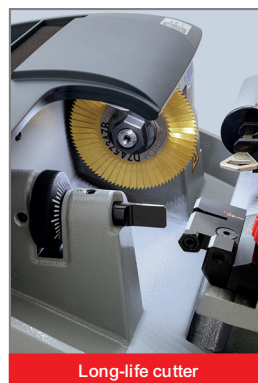

Made from HSS (Super Rapid Steel), the cutter is designed for optimum performance and durability.

Easy calibration

Rekord Pro AY is equipped with a mechanical tracer point with an easy-to-read micrometric adjustment ring for accurate calibration and a quality cutting result.

Integrated tool storage

A wide accessories area equipped with an anti-slip mat on the upper part of the machine makes it easy to get the tools used most frequently. Below the machine body there is a pull-out compartment specially adapted to

store the accessories supplied.

Perfect illumination

Rekord Pro AY has a LED strip light over the cutter to clearly illuminate the working area.

Safe

The on-off switch features a safety cut-out preventing the machine from starting by itself after a power interruption. Rekord Pro AY switches itself off and needs to be manually restarted to continue the cutting operation.
