Speed

New, fast, compact, precise and user-friendly, Speed is perfect for key cutters who have just entered the key duplication business, but also for experienced Duplicating Centres that require a precise and user-friendly machine with a wide range of optional accessories.

Speed

Speed is the new Silca key cutting machine for the duplication of cylinder, vehicle and cruciform keys.

Speed is engineered in conformity with CE mark European standards.

* Standard only on 120V version.
